Welcome Morgan!

Since the winter newsletter, our agency has experienced significant changes, including the departure of some clients and the introduction of new ones. We remain committed to providing exceptional care for our clients; however, we occasionally face resource limitations that hinder our ability to manage every case effectively. Our goal is to expand our team of professional educators in the future to better support clients whose needs extend beyond our current capabilities. With that said, we are pleased to welcome four new clients to our agency since the start of the year!

First, we would like to introduce our new client, Morgan, who joined our agency in March of this year and resides at the Malmo complex in Shoreline. Morgan was born and raised in Seattle, where he lived with his parents, Betsy and Bob, and his siblings, Matt, Andy, and Sara.

**Welcome Morgan! (Continued)**

He initially connected with our agency during the holiday season last year. Recently celebrating his 25th birthday in January, Morgan is eager to embrace greater independence. Morgan's parents have been actively involved in identifying a supportive living agency that would enable him to thrive and focus on his personal goals. After months of navigating the approval process, Morgan became a member of our agency and has been flourishing since his arrival.

Morgan has a mild developmental disability, which allows him to manage many daily tasks independently. However, he benefits significantly from encouragement and guidance, whether it involves modeling steps for tasks or providing direct assistance when necessary. Our dedicated team is committed to ensuring a smooth transition in his learning journey.

An active individual, Morgan enjoys participating in community activities, attending various classes, and engaging with groups. Currently, he is enrolled in choir and gaming classes and is actively involved in his church through Young Life, a Christian social group. His hobbies include amateur radio, drawing, and listening to music. During his leisure time, Morgan loves to watch sports on TV, spend time with friends, and practice yoga. Despite his busy schedule, he also finds time to give back by volunteering at the Bayview Retirement Community.

Morgan's current goal is to undergo a hip replacement to enhance his mobility. We are optimistic that this procedure will lead to a more comfortable lifestyle for him in the future. Additionally, Morgan hopes to find a girlfriend with whom he can share his many interests and activities. We look forward to witnessing Morgan's progress and the achievement of his goals.

**Events & Fundraising**

In May, we had the pleasure of hosting our annual Heart & Soul Auction, a cherished event that united friends, family, and community members for an evening of silent and live auctions, dinner, and fun activities. The event was skillfully facilitated once again by auctioneer, Matt Lorch.

Guests participated in an interactive game of “Heads or Tails,” led by our client Dan, while a paddle raise demonstrated the remarkable generosity of attendees, resulting in an incredible **\$133,000** raised for our mission. The evening concluded with our new client Morgan announcing the raffle prize and bid card winners, alongside a delightful Dessert Dash and uplifting music provided by **@pinkpianoguy**, all celebrating the spirit of community and support

**Board & Organizational News**

**In Loving Memory of Chris**

Our dear client, who had been part of our agency since 1999, passed away at the age of 57 due to a recent diagnosis of glioblastoma, a type of brain tumor. Despite his lifelong battle with tuberous sclerosis, this unexpected diagnosis became a challenge he could not conquer.

Chris was a remarkable artist, renowned for his pencil sketches and custom tattoo designs. He cherished traveling with his staff members, with a recent trip to Universal Studios in California. Chris dedicated much of his time to maintaining his health and fitness while facing his struggles.

We are thankful to Chris's family for organizing a beautiful ceremony and allowing the BDP family to attend. Many of our clients and staff shared a special bond with Chris, making his passing particularly challenging for everyone. Nevertheless, we will honor Chris's memory in our work and strive to support our clients in their times of need.

**Congratulations Amie!**

Amie has been a valuable member of our agency since 2013. Over the past 12 years, her dedication to helping clients has been remarkable, as she has dedicated most of her time to serving their needs at ATR. We are excited to see Amie step into her new role as a program supervisor. Amie shared, “Working at BDP for the past 12 years has given me invaluable experience and growth. Each position has played a vital role in developing the skills and knowledge I rely on today as a supervisor. I’m thankful for the opportunities I’ve received and look forward to continuing this journey with such a devoted team.” Please join us in welcoming Amie to this thrilling new chapter!
